

ADDENDUM TO JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 14 January 1975

CIA INTERNAL USE ONLY

1. (Internal Use Only - LLM) Jim Oliver, OMB, called and wanted to know in connection with the Director's testimony tomorrow before the Senate Appropriations Committee what we have done with regard to OMB Circular A-19 for clearances. Oliver said that even if the statement by Mr. Colby does not mention legislation, they would still like to have a copy. I told Oliver I would see what I could do in terms of sending him excerpts of the statement pertaining to legislation. Excerpts from the statement were sent to Oliver.

Later, Oliver called back and gave me some suggested language for insertion into the statement.

2. (Internal Use Only - PLC) Delivered and discussed with Jack Boos, Intelligence Subcommittee staff, House Armed Services Committee, two of the original three letters which Chairman Lucien N. Nedzi (D., Mich.) had given to [ ] for name checks. [ ] X1A went over one of the three letters originally given to him with William Hogan, Counsel of the Intelligence Subcommittee on 10 January, but inadvertently forgot to give Hogan the other two along with the information collected on the names mentioned in the correspondence. 25X1A

3. (Internal Use Only - PLC) Delivered to Norvill Jones, Senate Foreign Relations Committee staff, Mr. Cary's letter of 14 January 1975 forwarding requested information on arms sales which we asked Jones to return after he is finished with them.

7. [REDACTED] Received from Bill Hogan, Counsel, Intelligence Subcommittee, House Armed Services Committee, a copy of the New York Times response to Chairman Lucien N. Nedzi's (D., Mich.) request for information relating to the Hersh allegations and received from Jack Boos, Intelligence Subcommittee staff, House Armed Services Committee, a copy of the "Time" magazine response to the same request by the Chairman.

8. [REDACTED] Talked to Jack Ticer, Chief Clerk, Senate Armed Services Committee, and told him that the Director was going through his 55-page statement and trying to bring it down some. I then told Ticer that it was printed on both front and back and asked if this posed any problems for the Committee members. Ticer said they didn't object to this but for the Committee members themselves it would be best for just one side of the statement to be printed. He said they could get by with about 20 copies printed on one side for the members and then distribute the others which were already printed on both sides.
